

NFL initiates multiple activities during Swachhta Pakhwara

National Fertilizers Limited is committed to supporting the Government of India's mission for Swachh Bharat. As part of the on-going Swachhta Pakhwara celebrations, all round activities such as cleaning activities, awareness programmes, competition for employees etc are being undertaken by company in all Units and offices. Cleanliness drives involving employees were undertaken in Units.

To supplement efforts, company has also directed it's CSR efforts towards Swachh Bharat Mission. During the week, Bathinda Unit handed over four newly constructed toilets in two Government Schools in nearby village Aklian Kalan. The facilities shall help in achieving the objective of improving hygiene levels in schools. In order to generate awareness, motivational talks for school children were organized in schools in Nangal.

Many other activities have been lined up in the coming days to achieve the objective of "Swachhta Pakhwara".
